N.B.—Provinces named in the first and last columns include their chief port or ports. "Madras ports" includes the ports of Madras, Pondichery (exclusive of sea imports from Non-British Ports and Foreign countries), Negapatam, Tuticorin, Calicut, Cocanada, Vizagapatam, Cuddalore, Cochin, Tellicherry, Cannanore, Masulipatam, Mangalore, Quilon, Porto Novo, and Badagara. The last eight ports were added from 1st April 1909

FREDERICK NOËL-PATON,
Director-General of Commercial Intelligence

B. ROBERTSON,
Secretary to the Government of India.

Calcutta, March 31, 1911

No. 2344—2351-6.

GOVERNMENT OF INDIA.

DEPARTMENT OF COMMERCE AND INDUSTRY.

STATISTICS.

NEW METHOD OF REGISTRATION OF INDIAN TRADE STATISTICS.

Dated the 27th March 1911.

RESOLUTION.

In paragraphs 2 and 3 of the Resolution of the Government of India in this Department, No. 1650—1660-3, dated the 2nd March 1906, it was announced that, as a result of the recommendations contained in the Report of the Committee on Indian Trade Statistics, which was appointed in 1905, it had been decided to introduce, as an experimental measure, a new system for the registration of the statistics relating to the foreign seaborne trade of India, namely, the recording of imports according to the country of consignment and of exports according to the country of final destination, as defined in paragraphs 15 and 24, respectively, of the Report of the Committee on Indian Trade Statistics. It was explained that the system already in force, under which the import statistics were recorded according to the country of shipment and the export statistics according to the country containing the port of discharge as declared by the exporter, would continue to be maintained; that the figures compiled under both systems would be published concurrently for a period of five years; and that if the new system proved satisfactory in actual practice, it could be definitely adopted and the old system abandoned.

2. The first issue of the statistics recorded under the new system of registration above described appeared as a Supplement to the Annual Statement of the Foreign Seaborne Trade and Navigation of British India for the year 1907-1908. The second issue, which contained the statistics relating to the year 1908-1909, was published in September 1910; and the third issue, for the year 1909-1910, will be published shortly. The statistics for the current year 1910-1911 have also been recorded, and will be published in due course, under both systems.

3. The Government of India are satisfied, from a comparison of the figures already recorded under the two systems, that the results obtained under the new system, which has also been definitely adopted in the Foreign Trade Accounts of the United Kingdom from 1909, are superior to those obtained under the old system. They are also satisfied that the existence of comparative figures for four years obviates any serious break in the continuity of the statistics. They have therefore decided that after the close of the current official year the method of registration of Indian trade statistics according to the countries of consignment and of final destination shall be permanently adopted, and the old system of registration finally abandoned.

B. ROBERTSON,

Secretary to the Government of India.

GOVERNMENT OF INDIA.
DEPARTMENT OF EDUCATION.

SANITARY
PLAGUE.

Calcutta, the 30th March, 1911.

The following preliminary statement of plague seizures and deaths reported in India during the week ending the 25th March 1911, is published for general information:—

L. PORTER,
Secretary to the Government of India.

Printed and Published for the GOVERNMENT OF INDIA, at the Office of the SUPERINTENDENT OF GOVERNMENT
PRINTING, INDIA, No. 8, Hastings Street, Calcutta.

Statement of Approximate Gross Earnings of Indian
Railways.

SUPPLEMENT TO
The Gazette of India.

No. 14.}

CALCUTTA, SATURDAY, APRIL 8, 1911.

OFFICIAL PAPERS.

A SUPPLEMENT to the GAZETTE OF INDIA will be published from time to time, containing such Official Papers and information as the Government of India may deem to be of interest to the Public, and such as may usefully be made known. The debates of the Legislative Council of His Excellency the Governor General will in future be published in PART VI of the GAZETTE.

Non-Subscribers to the Gazette may receive the SUPPLEMENT separately on a payment of five Rupees per annum if delivered in Calcutta, or eight Rupees if sent by Post. The SUPPLEMENT and PART VI of the GAZETTE can also be subscribed for separately on a payment of Rupees six per annum if delivered in Calcutta, or Rupees nine if sent by Post.

No Official Orders or Notifications, the Publication of which in the GAZETTE OF INDIA is required by Law, or which it has been customary to publish in the CALCUTTA GAZETTE, will be included in the SUPPLEMENT. For such Orders and Notifications the body of the GAZETTE must be looked to.

FREDERICK NOËL-PATON,
Director-General of Commercial Intelligence
J. S. MESTON,
Secretary to the Government of India

Calcutta, April 6, 1911

 *Continuation Sheets of Supplement to the Gazette of India published at Calcutta.*

GOVERNMENT OF INDIA.

DEPARTMENT OF REVENUE AND AGRICULTURE.

Rainfall summary for the seven days ending at 8 hrs. on Thursday, the 6th April 1911, based on the Indian Daily Weather Reports of the period.

1. Another depression from Persia caused the winter rains in northwest India to continue to the unusually late date of the 3rd of April. The depression moved slowly eastwards giving a few light falls in the extreme north on the 30th March, and moderately heavy precipitation on the 31st; but on the 1st of April its activity was greatly diminished. On the 2nd of April it revived and gave nearly general rain in the submontane districts between Simla and Ranikhet and a few falls in Kashmir, and on the 4th it had disappeared. Rainfall due to ordinary hot weather conditions began in northeast India on the 1st of April, extended into north Burma on the 2nd, and continued until the close of the week; but in the south of the Peninsula, owing to northerly dry winds, the customary afternoon thunderstorms were much less frequent than usual.

2. Temperature was nowhere very far removed from normal at the beginning of the week, but on the 3rd cool conditions extended over the northwest and temperature fell somewhat in the northeast also. During the remainder of the week temperature was appreciably below normal over almost the whole of northern India. In the Peninsula and Burma the temperature conditions were fairly normal.

3. *Burma*.—Light scattered falls of rain were reported in Upper Burma on the 2nd, 3rd, 4th and 5th.

Northeast India, including Orissa.—From the 1st to the 5th rainfall was fairly general in Assam, and varied from fairly general to a few falls in Eastern Bengal. In the remainder of the division practically no rainfall occurred.

The United Provinces, Central India and the Central Provinces.—Light rain fell in the submontane districts of the north United Provinces on the 2nd, but no other precipitation of importance was reported during the week.

Northwest India.—Light precipitation began in Kashmir, the north Punjab and the North-West Frontier Province on the 30th March, and was followed by fairly general and moderately heavy precipitation on the 31st. On the 1st of April light scattered falls in Kashmir and the North-West Frontier Province were reported, and on the 2nd a few falls occurred in Kashmir and the east Punjab.

The Peninsula.—Thunderstorms gave rain at Trivandrum on the 30th of March and at Gopalpur on the 4th of April but no other appreciable falls were reported.

4. The largest amounts of precipitation during the week were as follows :—

March 31st. Minimarg $2\frac{1}{2}$ feet of snow, Srinagar $1\cdot88''$ of rain and Murree $1\cdot26''$.

April 1st. Dhubri $2\cdot62''$ of rain and Minimarg 2 feet of snow.

„ 3rd. Sibsagar $1\cdot27''$, Gauhati $1\cdot28''$, Silchar $2\cdot50''$, Cherrapunji $4\cdot59''$ and Mymensingh $3\cdot24''$.

„ 4th. Silchar $1\cdot95''$ and Cherrapunji $2\cdot11''$.

5. Precipitation during the week was markedly above the normal in Kashmir, Eastern Bengal and Assam, and Upper Burma, but elsewhere did not depart to any important extent from normal. For the period 2nd December to 6th April it was in large excess in the United Provinces, the Punjab, Kashmir, the North-West Frontier Province, Sind, Rajputana West and Gujarat; in slight to moderate excess in Assam, Baluchistan, Central India East, Berar and Mysore; nearly normal in Upper Burma, Eastern Bengal, Orissa and Rajputana East; and in defect elsewhere.

DIVISION.	RAINFALL DATA FOR WEEK ENDING ON 6TH APRIL 1911.			RAINFALL DATA FROM 2ND DECEMBER 1910 TO 6TH APRIL 1911.				
	Actual rainfall in inches.	Normal rain- fall in inches.	Excess or defect in inches.	Actual rainfall of season to date in inches.	Normal rainfall in inches.	Excess or defect in inches.	SEASONAL PERCENTAGE DEPARTURE FROM NORMAL.

E. D. MACLAGAN,
Secretary to the Government of India.

SIMLA;
The 6th April 1911.

GOVERNMENT OF INDIA.
DEPARTMENT OF REVENUE AND AGRICULTURE.

Season and Crop Prospects for the week ending Saturday, 1st April 1911.

Burma.—Slight rain fell chiefly in the northern section. Sowing and transplanting of spring rice and plucking of tobacco are in progress. Reaping of miscellaneous island and other crops and clearing of hill sides for cultivation continue. Standing crops are in good condition. The price of unhusked rice has risen considerably at Sandoway and Pegu and is mostly above normal.

Eastern Bengal and Assam.—The weather was cloudy and warm. Moderately heavy showers have fallen in all districts except Malda. Speedy completion of the sowing of jute and rice crops is now assured. Harvesting of sugarcane is nearly complete. Later cuttings have given better results than the earlier. Harvesting of *ganja* in Rajshahi is finished and the outturn is reported poor. The average price of common rice shows a tendency to fall. Very little Burma rice is being imported. Cattle disease prevails in Dacca, Chittagong, Noakhali, Sylhet, Goalpara, Darrang and the Naga Hills.

Bengal.—Rain fell all over the Province except in Birbhum, Gaya and Singhbhum. The fall was rather heavy in Howrah, Jessore, Khulna, Shahabad, Purnea, Darjeeling and Cooch Behar and light elsewhere. The recent rainfall has facilitated ploughing operations. Spring crops have been damaged to some extent by hailstorm in parts of Murshidabad. The newly planted sugarcane and vegetables are doing well in Orissa. Prospects of *mahua* are reported to be unfavourable in parts of the Sonthal Parganas and Hazaribagh. Planting of sugarcane, harvesting of spring crops and preparation of lands for the next season's crops continue. The price of common rice has risen in Burdwan, the 24-Parganas, Murshidabad, Patna, Shahabad, Monghyr, Bhagalpur, Cuttack, Balasore and Ranchi and has fallen in Jessore, Gaya, Saran and Sambalpur. Cattle disease prevails in Burdwan, Midnapore, Nadia, Muzaffarpur, Monghyr, the Sonthal Parganas, Puri, Sambalpur, Hazaribagh, Palamau and Manbhum. The supply of fodder and water is ample throughout the Province except in parts of Midnapore and the Sonthal Parganas.

United Provinces.—Light rain fell during the week in the Himalayan and submontane districts. Eight districts report slight damage from hail but the general outlook remains good. Harvesting is in progress except in the hills and threshing has begun in the eastern districts. Sowing of sugarcane and extra crops and extraction of opium continue. Cattle disease is reported from fourteen districts but the general condition of stock is good. Fodder and supplies are ample. Prices have fallen slightly in eleven and have risen in five districts. Elsewhere there is little change.

Punjab.—Light to moderate rain has fallen in parts of Hissar, Ambala, Jullundur, Lahore, Shahpur, Rawalpindi, Mianwali and Multan. The condition and prospects of standing crops are generally good to average. Harvesting of gram and rape seed continues. Extra spring crops, sugarcane and cotton are being sown. Standing crops have been damaged by hailstorm in parts of Mianwali and by flood in parts of Multan. Prices are easy. The condition of cattle is generally good. Fodder is sufficient except in parts of Ferozepore and Rawalpindi.

North-West Frontier Province.—Rain averaging from 19 cents in Dera Ismail Khan to 87 cents in Peshawar fell during the week all over the Province proving beneficial to spring crops. The condition of standing crops is average. Autumn and extra spring sowings continue in Peshawar and Dera Ismail Khan. Pressing and planting of sugarcane are still in progress in Bannu. Floods are reported in the Tochi and Kurram rivers in Bannu. The fodder and water supply are generally sufficient. There is no irrigation from the Paharpur canal in the Dera Ismail Khan district. Cattle are generally in good condition. The public health is generally good except in certain villages of the Dera tahsil in the Dera Ismail Khan district. Prices of food grains, except *bajra*, show a slight tendency to fall. Prices:—wheat 14 to 20⁵/₁₆, gram 20¹³/₁₆ to 30, maize 16 to 28⁷/₁₆ and *bajra* 22¹/₄ to 23 seers per rupee.

Jammu.—Slight rain fell during the week. Prices are stationary. Wheat sells from 12 to 19 and maize from 15 to 30 seers per rupee. The condition of standing crops is good. Cattle disease of mild type prevails in the Jammu and Basohli tahsils of the Province. Fodder is sufficient.

Kashmir.—It rained heavily several times during the week causing damage to *tiligulor* and *sarshaf* crops to some extent. The weather is bright now. Fodder is sufficient. Prices are rising. There is no disease among cattle.

Rajputana.—Rainfall 27 cents in Sardarshahr in Bikaner. Irrigation and harvesting of spring crops are in progress. Standing crops are good. The condition and outturn of crops in places are reported satisfactory. Slight damage to crops is reported in two tahsils of Jaipur. Cattle are in good condition. Fodder is sufficient. Prices have risen by 1 seer 10 chataks in Tonk and by 13 chataks in Mewar. They have fallen by 10 chataks in Karauli and are steady or fluctuating slightly elsewhere.

Central India.—Slight local showers fell in Jhabua. The weather is seasonable. Harvesting of spring crops continues and the outturn is good though slight damage to the crops is reported in certain parganas of Gwalior. Land is under preparation for the next crop in parts of Bhopawar. Cattle disease prevails in Gwalior, Baghelkhand, Bundelkhand and Bhopawar. Prices are low in Bhopal, rising in Indore and steady elsewhere. Opium is being extracted and its outturn is generally good.

Central Provinces.—The weather continues to be clear and occasionally cloudy. The days are hot but the nights and the mornings are still cool. Reaping, threshing and winnowing of spring crops are in rapid progress everywhere and their prospects are good all over the Provinces. Double cropped rice is faring well in Chanda. Preparation of land for the ensuing season's crops is in progress in a few districts. Fodder and water are adequate. Cattle are doing well. Prices:—The price of gram remained stationary in thirteen districts, of *juar* in fifteen, of wheat in seventeen and of rice in nineteen. Gram rose in Damoh and fell in Chhindwara by 3 seers per rupee. *Juar* sells cheaper by 6 seers in Chhindwara. Gram and *juar* in Nimar and *juar* in Yeotmal became dearer by 2 to 3 seers per rupee. Rice fell by 2 seers in Mandla. Elsewhere prices fluctuated slightly.

Feudatory States.—During the week, Jashpur and Korea had a sprinkling of rain not exceeding 18 cents. Harvesting, threshing and winnowing of spring crops are in full swing and prospects are favourable. The supply of fodder and water is adequate. Prices:—rice fell by 2½ seers per rupee in Kawardha. Elsewhere prices were steady or fluctuated slightly.

Bombay.—Slight rain fell during the week in parts of Sukkur, Satara, Bijapur, Belgaum and Kolhapur. Standing spring crops suffered from frost in the Upper Sind Frontier, Ahmedabad and Ahmednagar and are good elsewhere. Estimates of outturn are generally fair to good. Harvesting of spring crops is progressing generally. Threshing continues in parts of Hyderabad, Broach, Kanara, the Deccan and Mahi Kantha. Cotton picking is progressing in parts of Gujarat, the Karnatak, Baroda, Cutch and Kolhapur. Lands are being prepared for next season in parts of Hyderabad, Ahmedabad, Kaira, the Konkan, the Deccan, the Karnatak and Kathiawar. The fodder supply is adequate. Agricultural stock is deficient in parts of the Deccan but is generally in good condition. Water for drinking and irrigation is generally adequate. Grain stocks are sufficient. Prices have risen in Sukkur, Larkana, Hyderabad, the Panch Mahals, Broach, Surat and Dharwar; have fallen in Ahmedabad, Kaira, Colaba, Ratnagiri, Khandesh, Nasik, Ahmednagar, Poona, Satara and Belgaum and are generally stationary elsewhere. The quantity of food grains purchasable per rupee is in Sind 8 to 30 per cent, in Gujarat 5 to 31 per cent, in the Konkan 13 to 25 per cent, in the Deccan 4 to 33 per cent and in the Karnatak 23 to 31 per cent less than the normal.

Hyderabad.—No rain fell during the week. Harvesting of spring crops is nearing completion and the crop is fair. *Juar* has been damaged somewhat in parts by severe cold. Late rice is being weeded in many places. The crop is fair to good but has suffered slightly by inadequate water supply in parts of the Nalgonda and Karimnagar districts and by insects in the Gulbarga district. Harvesting of the crop has commenced in parts. Cattle disease prevails in five talukas. Prices:—wheat 8, coarse rice 7 and *juar* 14 seers per rupee. White *juar* is selling in Hyderabad City at 11 and yellow *juar* at 12 seers per rupee. The highest price in districts is 9 seers in Warangal and the lowest 24 seers in Mahbubnagar.

Mysore.—Prices of food grains are generally steady. Markets are well supplied. The outturn of the harvests and prospects of the season are good. Cattle are healthy. Water and fodder are available.

Coorg.—Prices of food grains are normal. Water and fodder for cattle are sufficient. The public health is fair.

Madras.—There was light rain in Tinnevely and *nil* elsewhere. Irrigation supplies are sufficient in Vizagapatam, Godavari, Kistna, Guntur, Anantapur, Cuddapah, North Arcot, Malabar and the Nilgiris and insufficient in parts of three districts. Ploughing, sowing, weeding and transplanting are in progress in parts. Standing crops are fair to good but some in parts of Madura require water and some in parts of Chingleput, Madura and Tinnevely are withering or have withered and coffee in parts of the Nilgiris is affected by bug. Harvests continue with outturn fair to normal generally. Pasture is sufficient in Ganjam, Vizagapatam, Kistna, South Arcot, Tanjore, Madura and the Nilgiris. Fodder is available except in parts of Nellore. The condition of cattle is generally good. The price of rice is stationary in fourteen districts, has fallen in two and has risen in eight. The prices of millet have fluctuated as follows:—*Ragi* is stationary in eight districts, has fallen in four and has risen in ten. *Cholam* is stationary in six districts, has fallen in four and has risen in five. *Cumbu* is stationary in six districts, has fallen in five and has risen in five. The public health is generally good. Prospects are generally fair. The condition of the labouring classes is everywhere satisfactory and employment is readily available. Grain stocks are generally sufficient.

E. D. MACLAGAN,

Secretary to the Government of India.

SUPPLEMENT TO
The Gazette of India

No. 15.]

CALCUTTA, SATURDAY, APRIL 15, 1911.

OFFICIAL PAPERS.

A SUPPLEMENT to the GAZETTE OF INDIA will be published from time to time, containing such Official Papers and information as the Government of India may deem to be of interest to the Public, and such as may usefully be made known. The debates of the Legislative Council of His Excellency the Governor General will in future be published in PART VI of the GAZETTE.

Non-Subscribers to the Gazette may receive the SUPPLEMENT separately on a payment of five Rupees per annum if delivered in Calcutta, or eight Rupees if sent by Post. The SUPPLEMENT and PART VI of the GAZETTE can also be subscribed for separately on a payment of Rupees six per annum if delivered in Calcutta, or Rupees nine if sent by Post.

No Official Orders or Notifications, the Publication of which in the GAZETTE OF INDIA is required by Law, or which it has been customary to publish in the CALCUTTA GAZETTE, will be included in the SUPPLEMENT. For such Orders and Notifications the body of the GAZETTE must be looked to.

RESOLUTION REGARDING THE EXECUTION OF DEEDS, CONTRACTS, ETC., RELATING TO SALT REVENUE.

No. 592—594.

GOVERNMENT OF INDIA.

HOME DEPARTMENT.

JUDICIAL.

Simla, the 10th April 1911.

RESOLUTION.

In exercise of the powers conferred by section 2 of the East India Contracts Act, 1870 (33 and 34 Vict., C. 59), and of all other powers enabling him in this behalf, the Governor General in Council is pleased to direct that the following be substituted for clause VIII of Part Q of the Resolution of the Government of India in the Home Department no. ^{3-Judicial}₄₈₅₋₅₀₁, dated the 28th March 1895, as amended by the like resolution nos. 1211-1215, dated the 24th August 1909, relating to the execution of deeds, contracts and other instruments on behalf of His Majesty's Secretary of State for India in Council :—

VIII.—Deeds, contracts and instruments relating to Salt Revenue. { By the Collector of Customs, Chittagong, Collectors of Districts and Deputy Commissioners.

ORDER.—Ordered that the above Resolution be communicated to the Government of Eastern Bengal and Assam for information, with reference to its letter no. 359-M., dated the 27th January 1911, and to the Department of Commerce and Industry for information; and that it be published in the *Supplement to the Gazette of India*.

A. EARLE,

Secretary to the Government of India.

GOVERNMENT OF INDIA.

DEPARTMENT OF REVENUE AND AGRICULTURE.

Rainfall summary for the seven days ending at 8 hrs. on Thursday, the 13th April 1911, based on the Indian Daily Weather Reports of the period.

1. A disturbance in the extreme north gave rain at the beginning of the week in the North-West Frontier Province and snow in Kashmir. The precipitation was followed by a fairly well marked cool wave which passed rapidly eastward across northern India, but its influence did not last long and by the 11th temperature was approximately normal throughout the country. Maximum temperatures ranging from 105° to 108° were recorded during the week at stations in the United Provinces, the Central Provinces and the Madras Deccan.

2. Rainfall was fairly abundant in Assam, but elsewhere was confined to a few falls in Burma, the extreme north of India and the southern half of the Peninsula.

3. At the close of the week the sea was rough at Colombo and was rising in the vicinity of the Andamans and south Tenasserim; these conditions combined with a change in the direction of the winds and the commencement of rainfall in the Andamans indicated a disturbance in the south of the Bay.

4. *Burma*.—Light rain fell at Mandalay on the 6th and at Myitkyina on the 10th and 11th.

Northeast India, including Orissa.—Rainfall occurred in Assam every day except the 10th and there was a light fall at Narayanganj on the 6th.

The United Provinces, Central India and the Central Provinces.—There was no rain, and skies were cloudless throughout the week.

Northwest India.—Rainfall was fairly general in the North-West Frontier Province on the 7th, and a few falls of snow occurred in Kashmir on the 7th and 8th.

The Peninsula.—A few falls of rain occurred in Madras and Mysore, and Sholapur also reported a light fall on the 8th.

5. The largest amounts of precipitation during the week were as follows:—

April 6th. Ootacamund 1'38" and Kodaikanal 1'18".

„ 7th. Silchar 1'27".

„ 9th. Cherrapunji 3'81" and Sibsagar 1'40".

6. The precipitation of the week was above the average in Mysore and the Madras Deccan and within 20 per cent of the normal in the Bay Islands and Assam; it was more than half an inch in defect in Malabar. For the period from the 2nd December 1910 to the 13th April 1911 it was in more or less marked excess in Assam, the United Provinces, the Punjab, Kashmir, the North-West Frontier Province, Baluchistan, Sind, Rajputana West, Gujarat, Berar and Mysore; within 20 per cent of the normal in Eastern Bengal, Orissa, Rajputana East and Central India East; and in defect elsewhere.

DIVISION.	RAINFALL DATA FOR WEEK ENDING ON 13TH APRIL 1911.			RAINFALL DATA FROM 2ND DECEMBER 1910 TO 13TH APRIL 1911.				
	Actual rainfall in inches.	Normal rain- fall in inches.	Excess or defect in inches.	Actual rainfall of season to date in inches.	Normal rainfall in inches.	Excess or defect in inches.	SEASONAL PERCENTAGE DEPARTURE FROM NORMAL.

SIMLA ;

The 13th April 1911.

GOVERNMENT OF INDIA.

DEPARTMENT OF REVENUE AND AGRICULTURE.

Season and Crop Prospects for the week ending Saturday,
8th April 1911.

Burma.—Slight rain fell in six northern districts and in the Northern Shan States and the Chin Hills. Clearing of hill sides for cultivation and harvesting of miscellaneous island and other crops continue. Sowing and transplanting of spring rice and plucking of tobacco are in progress. Standing crops are in good condition. The price of unhusked rice has risen slightly in Rangoon, Mergui and two other centres and has fallen slightly in Tharrawaddy, Myaungmya and one other centre. It is about normal in most places.

Eastern Bengal and Assam.—[Report not received.]

Bengal.—During the week rain fell in the Burdwan, Presidency and Orissa divisions, Birbhum, Howrah and the 24-Parganas excepted, and also in Champaran, Darjeeling and Cooch Behar. The fall was rather heavy in Jessore, Khulna, Nadia and Bankura and light elsewhere. Standing crops have been damaged to some extent by hailstorm in parts of Champaran, Khulna and Murshidabad. Planting of sugarcane and harvesting of spring crops are in progress. Preparation of lands for the next season's crops continues but rain is wanted for the purpose in Burdwan and the 24-Parganas. The newly planted sugarcane and vegetables are doing well in Orissa. The price of common rice has risen in Murshidabad, Jessore, Saran, Champaran and Angul and has fallen in Burdwan, Khulna, Darbhanga and Cuttack. Cattle disease is reported from Burdwan, Howrah, Shahabad, Monghyr, the Sonthal Parganas, Puri, Sambalpur, Hazaribagh, Palamau and Manbhum. The supply of fodder and water is sufficient throughout the Province except in parts of Midnapore and the Sonthal Parganas.

United Provinces.—Light showers fell in the Himalayan districts. Threshing and winnowing of spring crops are in full swing in the eastern and harvesting in the western districts of the Province. Prospects are good. Extracting of opium is nearing completion and weighments have commenced. Sowing of sugarcane and irrigation of extra crops continue. Cattle disease is reported from ten districts but the general condition of stock is good. Fodder and supplies are ample. Prices have fallen in eleven and have risen in two districts. Elsewhere prices are practically stationary.

Punjab.—Light rain has fallen in parts of Hissar, Ambala, Jullundur, Rawalpindi and Mianwali. The condition and prospects of standing crops are generally good to average. Harvesting of spring crops continues. Extra spring crops, sugarcane and cotton are being sown. Standing crops have been damaged by hailstorms in parts of Mianwali. Prices are easy and have fallen slightly in some districts. The condition of cattle is generally good. Fodder is sufficient except in parts of Rawalpindi.

North-West Frontier Province.—Slight showers fell during the week all over the Province. The rain was beneficial to standing crops. The condition of standing crops is average. Sowing of extra spring and autumn crops is in progress. Pressing of sugarcane is nearly finished in Bannu but planting still continues. Floods are reported in the Tochi and Kurram rivers in Bannu. The fodder and water-supply is generally sufficient throughout the Province. There is no irrigation from the Paharpur canal in the Dera Ismail Khan district. The condition of cattle is generally good. The public health is generally good. Prices of food grains, except gram, are fluctuating. Prices:—wheat 14 to 20, gram 20½ to 30, maize 16½ to 29½ and *bajra* 22½ to 23½ seers per rupee.

Jammu.—Rain slight. Prices are stationary. Wheat sells from 12 to 20 and maize from 15 to 30 seers per rupee. The condition of standing crops is good. Cattle disease of mild type prevails in the Bhimber tahsil of the Province. Fodder is sufficient.

Kashmir.—The weather was bright. Fodder is sufficient but is a little dear. Green fodder is shortly expected. There is no disease among cattle. Prices are stationary.

Rajputana.—[Report not received.]

Central India.—Rainfall *nil*. The weather is seasonable. The days are hot and the nights cool. Harvesting of spring crops is in full swing and land is being prepared for sugarcane and other crops. Slight damage to wheat and gram is reported in parts of Gwalior and Baghelkhand. Cattle disease prevails in Gwalior, Baghelkhand, Bundelkhand and Bhopawar. Prices are low in Bhopal, high in Baghelkhand and steady elsewhere. Extraction of opium is in progress and the outturn is expected to be good. The harvest all round is an excellent one.

Central Provinces.—The weather has been clear. The days are hot but the nights and the mornings continue to be cool. Harvesting, threshing and winnowing of spring crops are in full swing all over the Provinces and prospects are excellent. Agriculturists are also engaged in the construction and repairs to field embankments in rice districts. Ploughing of land for sowing of the next autumn crops continues in several districts. The supply of pasturage and water is sufficient. Agricultural stock is in good condition. Variations in prices are unimportant.

Feudatory States.—Jashpur received thirty cents of rain during the week. Rain in the previous two weeks has slightly damped spring crops in Korea; otherwise the condition of spring crops is generally good and prospects are favourable. Fodder and water are adequate. Prices :—wheat fell and rice rose in Sarangarh by two seers per rupee.

Bombay.—Slight rain fell during the week in parts of the Karnatak and Kolhapur. Standing spring crops have been injured by blight in Thar and Parkar and are good elsewhere. Estimates of outturn are generally fair to good. Harvesting of spring crops is progressing generally. Threshing continues in parts of Larkana, Hyderabad, Broach, Kanara, the Deccan and Mahi Kantha. Cotton picking is progressing in parts of Gujarat, the Karnatak, Baroda, Palanpur, Cutch, Rewa Kantha and Kolhapur. Lands are being prepared for the next season in parts of Hyderabad, Thar and Parkar, Ahmedabad, Kaira, Surat, the Konkan, the Deccan, Belgaum, Dharwar and Kathiawar. The fodder supply is adequate. Agricultural stock is deficient in parts of the Deccan and generally in good condition. Water for drinking and irrigation is generally adequate. Grain stocks are sufficient. Prices have risen in Khandesh, Nasik, Bijapur and Belgaum, have fallen in Larkana, Hyderabad, Kanara, Poona and Sholapur and are generally stationary elsewhere. The quantity purchasable per rupee is in Sind 8 to 30 per cent, in Gujarat 2 to 31 per cent, in the Konkan 9 to 25 per cent, in the Deccan 15 to 31 per cent and in the Karnatak 23 to 33 per cent less than the normal.

Hyderabad.—[Report not received.]

Mysore.—Prices of food grains are generally steady. Markets are well supplied. The outturn of the harvests and prospects of the season are good. Cattle are healthy. Water and fodder are available.

Coorg.—Prices of food grains are normal. Water and fodder for cattle are sufficient. The public health is fair.

Madras.—There was light rain in Coimbatore, Tinnevely, Malabar, Ganjam, Anantapur and the Nilgiris and *nil* elsewhere. Irrigation supplies are sufficient in Vizagapatam,

Kistna, Guntur, Anantapur, Cuddapah, Kurnool, North Arcot, Malabar and the Nilgiris and insufficient in parts of other districts. Ploughing, sowing, weeding and transplanting are in progress in parts. Standing crops are fair to good but some in parts of Chingleput and Madura require water and some in parts of Madura have withered and coffee in parts of the Nilgiris is affected by bug. Harvests continue with outturn fair to normal generally. Pasture is sufficient in Vizagapatam, Madras, South Arcot, Tanjore, Madura, Ramnad and the Nilgiris. Fodder is available except in parts of Nellore. The condition of cattle is generally good. The price of rice is stationary in thirteen districts, has fallen in five and has risen in seven. The prices of millets have fluctuated as follows:—*Ragi* is stationary in eight districts, has fallen in five and has risen in ten. *Cholam* is stationary in nine districts, has fallen in two and has risen in four. *Cumbu* is stationary in eight districts, has fallen in two and has risen in seven. The public health is generally good and prospects are generally fair. The condition of the labouring classes is everywhere satisfactory and employment is readily available. Grain stocks are generally sufficient.

SUPPLEMENT TO
The Gazette of India.

No. 16. } SIMLA, SATURDAY, APRIL 22, 1911.

OFFICIAL PAPERS.

A SUPPLEMENT to the GAZETTE OF INDIA will be published from time to time, containing such Official Papers and information as the Government of India may deem to be of interest to the Public, and such as may usefully be made known. The Debates of the Legislative Council of His Excellency the Governor General will in future be published in PART VI of the GAZETTE.

Non-Subscribers to the GAZETTE may receive the SUPPLEMENT separately on a payment of five Rupees per annum if delivered in Calcutta, or eight Rupees if sent by Post. The SUPPLEMENT and PART VI of the GAZETTE can also be subscribed for separately on a payment of Rupees six per annum if delivered in Calcutta or Rupees nine if sent by Post.

No Official Orders or Notifications, the Publication of which in the GAZETTE OF INDIA is required by Law, or which it has been customary to publish in the CALCUTTA GAZETTE, will be included in the SUPPLEMENT. For such Orders and Notifications the body of the GAZETTE must be looked to.

GOVERNMENT OF INDIA.

DEPARTMENT OF REVENUE AND AGRICULTURE.

Rainfall summary for the seven days ending at 8 hrs. on Thursday, the 20th April 1911, based on the Indian Daily Weather Reports of the period.

1. The disturbance which formed between the Coromandel coast and the Andamans at the beginning of the week developed into a storm of slight or moderate intensity. It moved northwards and then northeastwards, and crossed the Arakan coast into Upper Burma on the 17th, causing moderate to heavy rain throughout Burma and general rain in Eastern Bengal and Assam. A few scattered falls of rain were reported in the south of the Peninsula, the Punjab and the United Provinces.

2. Temperature fell rapidly in Upper Burma on the 16th and was very largely below normal during the remainder of the week. It fell into considerable defect also in northeast India on the 19th.

3. *Burma.*—Rainfall began at Diamond Island on the 14th; it extended until the 17th when moderate to heavy falls were reported throughout Burma, and then diminished, but had not ceased at the close of the week, heavy rain still occurring along the Arakan coast.

Northeast India, including Orissa.—On the 16th and 18th fairly general and moderately heavy rainfall occurred in Eastern Bengal and Assam, extending on the 19th into southern Bengal. On other days only a few falls were reported in Eastern Bengal and Assam.

The United Provinces, Central India and the Central Provinces.—A few light or moderate falls occurred on the 19th.

Northwest India.—A few light falls were reported in the extreme north on the 16th, 17th and 19th.

The Peninsula.—Hot weather conditions gave abnormally few showers in the extreme south.

4. The largest amounts of rain during the week were as follows :

April 13th. Port Blair 1'66".

„ 14th. Madura 1'03".

„ 15th. Slipper Island 1'02".

„ 16th. Akyab 8'47", Maymyo 2'50", Cherrapunji 2'31", Bogra 2'96", Jalpaiguri 1'33" and Trichinopoly 1'40".

„ 17th. Mergui 1'12", Tavoy 1'03", Moulmein 1'32", Diamond Island 1'29", Toungoo 1'00", Kyaukpyu 1'87", Akyab 3'34", Minbu 1'20", Mandalay 3'09", Lashio 2'20", Maymyo 2'33", Bhamo 1'48" and Shillong 2'37".

„ 18th. Mergui 2'43", Tavoy 3'56", Moulmein 2'62", Toungoo 1'07", Thayetmyo 1'00", Lashio 1'46", Bhamo 1'17", Sibsagar 1'26", Tezpur 2'09", Silchar 1'36", Cherrapunji 3'02" and Dinajpur 1'31".

„ 19th. Toungoo 1'55", Akyab 3'92", Cherrapunji 2'05", Cox's Bazar 2'40", Chittagong 2'06", Barisal 1'32" and Narayanganj 1'20".

5. Rainfall during the week was very largely above normal in Burma and Eastern Bengal; was normal in Assam, the United Provinces East, the Punjab Southwest, Sind, Rajputana, Gujarat, Central India and Madras Southeast; and was elsewhere in defect. For the period 2nd December to 20th April precipitation was in large excess in Burma, the United Provinces, the Punjab, Kashmir, the North-West Frontier Province, Baluchistan, Sind and Rajputana West; in moderate excess in Assam, Eastern Bengal, Gujarat, Central India East and Berar; about normal in Rajputana East; and in defect elsewhere.

SIMLA;
The 20th April 1911.

GOVERNMENT OF INDIA.

DEPARTMENT OF REVENUE AND AGRICULTURE.

Season and Crop Prospects for the week ending Saturday,
15th April 1911.

Burma.—Light to moderate rain is reported in parts of Lower and Upper Burma. The sowing and transplanting of spring rice are advancing and the clearing of hill sides for cultivation of autumn rice is proceeding. Harvesting of tobacco and other miscellaneous spring crops continues. Standing crops are satisfactory. The price of rice remains above the normal in most places.

Eastern Bengal and Assam.—Moderate rain has fallen in the Surma Valley and in most parts of the Assam Valley division. In the remainder of the Province there was no rain except light and scattered showers at a few stations. More rain is wanted for sowing of jute, autumn rice and winter rice which is in progress. Prospects of standing crops are fair. The average price of common rice shows a slight tendency to fall. Cattle disease is reported in Dacca, Goalpara, Darrang and the Jaintia and Naga Hills.

Bengal.—There was no rain during the week except showers in Balasore, Darjeeling and Cooch Behar. Planting of sugarcane is in progress. Harvesting of spring crops is approaching completion. Standing crops are doing well. Preparation of lands for the next season's crops continues but rain is wanted for the purpose in Burdwan, the 24-Parganas, Jessore, Khulna and Puri. The price of common rice has risen in Nadia, Jessore and Khulna and has fallen in Murshidabad, Shahabad and Angul. Cattle disease is reported from Nadia, Jessore, Champaran, Purnea, the Sonthal Parganas, Sambalpur and from all the districts of the Chota Nagpur division except Singhbhum. The fodder and water supply is sufficient throughout the Province except in parts of Burdwan, Midnapore and the Sonthal parganas.

United Provinces.—No rain fell during the week. Harvesting of spring crops is nearing completion and threshing is everywhere in progress. Sowing of sugarcane and weighments of opium continue. Cattle disease is reported from parts of eleven districts but agricultural stock is generally in good condition. Supplies and fodder are abundant. Prices have risen slightly in four and have fallen in five districts. Elsewhere prices are almost stationary.

Punjab.—Rainfall *nil*. The condition and prospects of standing crops are good to average. Spring crops are being harvested. Sowings of extra spring and autumn crops continue. Harvest operations have been retarded by plague in Ambala. Prices are easy. The condition of cattle is generally good. Fodder is sufficient except in Murree.

North-West Frontier Province.—The rainfall was 5 cents in Bannu and 3 cents in Dera Ismail Khan. Elsewhere no rain fell. The condition of standing crops is average. Sowings of extra spring and autumn crops are in progress. Sugarcane planting still continues in the Bannu district. Harvesting of the oilseed crops has commenced in the Dera Ismail Khan district. The fodder and water-supply is sufficient throughout the Province. There is no irrigation from the Paharpur canal in the Dera Ismail Khan district. Cattle are generally in good condition except in one village of the Marwat tahsil in the Bannu district. The public health is generally good. Prices of food grains, except of gram, are fluctuating. Prices:—wheat $14\frac{1}{2}$ to 20, gram $20\frac{1}{8}$ to 30, maize $18\frac{3}{8}$ to $20\frac{1}{2}$ and *bajra* $22\frac{1}{2}$ to 23 seers per rupee.

Jammu.—Rain slight. Prices are fluctuating. Wheat sells from 12 to 19 and maize from 18 to 30 seers per rupee. The condition of standing crops is fair. Cattle disease

of mild type prevails in the Ranbirsinghpura and Kathua tahsils of the Province. Fodder is sufficient.

Kashmir.—The weather is bright. Fodder is sufficient but a little dear. There is no disease among cattle. Prices are unchanged.

Rajputana.—Harvesting and threshing of spring crops are in progress. Standing crops are fair to good. Slight damage by insects is reported in parts of Mewar and by cold in Nizamath Kothasim of Jaipur. Also a four anna damage in Dungarpur. Cattle disease is prevalent in one district each of Dungarpur and Banswara. Fodder is sufficient. Prices have risen by 2 seers in Bikaner, 3 seers 14 chataks in Tonk, 1 seer 5 chataks in Bundi, 7 chataks in Jhalawar, 1 seer 4 chataks in Mewar and has fallen by 1 seer in Dungarpur and Banswara, 8 chataks in Bharatpur and 5 chataks in Alwar. Elsewhere prices are steady or show slight variations.

Central India.—Rainfall *nil*. The weather is normal. Reaping of spring crops is nearing completion and threshing and winnowing have commenced in places. Land is under preparation for autumn crops. Cattle disease prevails in Gwalior, Bundelkhand, Bhopal and parts of Rewa. Prices are generally falling in Gwalior, low in Bhopal and steady elsewhere. Extraction of opium is in progress but has been completed in Rewa and a good yield is expected.

Central Provinces.—The weather has been clear and hot but the nights and mornings are still cool. Reaping, threshing and winnowing of spring crops continue. Fodder and water are sufficient and cattle are doing well. Prices are fairly stationary.

Feudatory States.—Harvesting of spring crops is practically over and threshing and winnowing are in progress. The supply of fodder and water is adequate. Prices are fairly stationary.

Bombay.—Slight rain fell during the week in parts of Bijapur and Belgaum. Standing spring crops are in good condition. Harvesting of spring crops is progressing in parts of Sind, Ahmedabad, Thana, Kanara, Sholapur, Satara, the Karnatak, Baroda, Cutch and Savantvadi. Threshing continues in parts of Larkana, Hyderabad, Broach, Kanara, the Deccan and Mahi Kantha. Estimates of the outturn are generally fair to good. Cotton-picking is progressing in parts of Gujarat, the Karnatak, Baroda, Cutch, Rewa Kantha and Kolhapur. Lands are being prepared for the next season in parts of Karachi, Hyderabad, Thar and Parkar, Ahmedabad, Kaira, Surat, the Konkan, the Deccan, Belgaum, Dharwar, Kathiawar and Kolhapur. The fodder supply is adequate. Agricultural stock is deficient in parts of the Deccan and generally in good condition. Water for drinking and irrigation is generally adequate. Grain stocks are sufficient. Prices have risen in Kanara, East Khandesh, Sholapur and Dharwar, have fallen in Sukkur and Larkana and are generally stationary elsewhere. The quantity purchasable per rupee is in Sind 3 to 30 per cent, in Gujarat 2 to 30 per cent, in the Konkan 11 to 25 per cent, in the Deccan 15 to 31 per cent and in the Karnatak 23 to 37 per cent less than the normal.

Hyderabad.—No rain fell during the week. The spring crop is nearly harvested in many parts. Late rice is being weeded and irrigated in parts. The crop is fair to good but is somewhat damaged by insects in parts in the Gulbarga district. The crop is also suffering from inadequate water-supply in parts of the Karimnagar and Nalgondah districts. Harvesting of the crops has commenced in places. Cattle disease is reported in 3 and fodder scarcity in 4 talukas. Prices:—wheat 7½, coarse rice 7 and *juar* 13½ seers per rupee. White *juar* is selling at 11 seers per rupee in Hyderabad City and yellow *juar* at 12. The highest price in districts is 9 seers in Warangal and the lowest 24 seers in Mahbubnagar.

Mysore.—Slight rain fell in Bangalore, Kolar, Tumkur and Mysore. Prices of food grains are generally steady. Markets are well supplied. The outturn of the harvests and prospects of the season are good. Cattle are healthy. Water and fodder are available.

Coorg.—Prices of food grains are normal. Water and fodder for cattle are sufficient. The public health is fair.

Madras.—Rainfall *nil* in the Vizagapatam littoral, Godavari, Kistna, Guntur, Kurnool, Chingleput, Madras and South Canara and light to fair elsewhere. Irrigation supplies are sufficient in Vizagapatam, Kistna, Guntur, Anantapur, Cuddapah, Kurnool, North Arcot and the Nilgiris and insufficient in parts of other districts. Ploughing, sowing, weeding and transplanting are in progress in parts. Standing crops are fair to good but some in parts of Chingleput and Madura require water or are withering and coffee in parts of the Nilgiris is affected by bug. Harvests continue with outturn fair to normal generally. Pasture is sufficient in Ganjam, Madras, South Arcot, Tanjore, Madura, and the Nilgiris. Fodder is available except in parts of Nellore. The condition of cattle is generally good. The price of rice is stationary in eight districts, has fallen in five and has risen in twelve. The prices of millets have fluctuated as follows:—*Ragi* is stationary in nine districts, has fallen in six and has risen in eight. *Cholam* is stationary in six districts, has fallen in six and has risen in three. *Cumbu* is stationary in six districts, has fallen in two and has risen in nine. The public health is generally good and prospects are generally fair. The condition of the labouring classes is apparently everywhere satisfactory and employment is readily available. Grain stocks are generally sufficient.

E. D. MACLAGAN,

Secretary to the Government of India.

GOVERNMENT OF INDIA.
DEPARTMENT OF EDUCATION.

SANITARY.
PLAGUE.

Simla, the 20th April 1911.

SUPPLEMENT TO
The Gazette of India.

No. 17.]

CALCUTTA, SATURDAY, APRIL 29, 1911.

OFFICIAL PAPERS.

A SUPPLEMENT to the GAZETTE OF INDIA will be published from time to time, containing such Official Papers and information as the Government of India may deem to be of interest to the Public, and such as may usefully be made known. The debates of the Legislative Council of His Excellency the Governor General will in future be published in PART VI of the GAZETTE.

Non-Subscribers to the Gazette may receive the SUPPLEMENT separately on a payment of five Rupees per annum if delivered in Calcutta, or eight Rupees if sent by Post. The SUPPLEMENT and PART VI of the GAZETTE can also be subscribed for separately on a payment of Rupees six per annum if delivered in Calcutta, or Rupees nine if sent by Post.

No Official Orders or Notifications, the Publication of which in the GAZETTE OF INDIA is required by Law, or which it has been customary to publish in the CALCUTTA GAZETTE, will be included in the SUPPLEMENT. For such Orders and Notifications the body of the GAZETTE must be looked to.
